STATE BOARD

Dear Parents,

Date : 30th April, 2026

The Term 2 Result of Session 2025-2026 is declared today. We are glad to see that most of the students have taken sincere efforts in their studies and have succeeded with flying colours, well guided and disciplined by parents and teachers. However, the picture is totally opposite for a few students who have turned a deaf ear to instructions and failed terribly.

It is very essential to understand that parents and teachers form a solid base of the whole educational career of a child. And hence we expect the Parent-Child-Teacher relationship to be fortified with trust, understanding and consistent efforts through communication and co-operation. The Noel School 'Diary' is an effective means of communicating with parents on daily-weekly basis. If parents fail to see the Diary, especially the teacher's remarks, they would fail to monitor the child's progress. Similarly, teachers call the parents to visit school (at least four times in a session) by issuing 'VISIT PASS' to students and other four times for results of unit test and term exams. If parents see the Diary and meet the teachers regularly and give their feedback through proper interaction, we can together focus our attention on the areas of concern to help the child achieve higher academic excellence. However, all this has to be done keeping in mind the time schedule of school so that it does not affect our teaching process.

The school's office will be closed from 17th May to 24th May, 2026.

PLEASE READ THE FOLLOWING CAREFULLY TO NOTE SOME IMPORTANT CHANGES :
